

## AWS Account creation

Search on google aws.management console like snip

The screenshot shows a Google search interface. The search bar contains the text "aws.management console". Below the search bar, there are navigation links for "All", "Images", "Books", "Shopping", "Videos", "More", and "Tools". The search results show "About 5,59,00,000 results (0.90 seconds)". The first result is an advertisement for "Amazon Web Services - Sign Up For a Free AWS Account". A red arrow points to the URL "https://aws.amazon.com/account/sign-up". Below the advertisement, there are links for "Current AWS Customers" and "AWS Compute Solutions".

[AWS Compute Solutions](#)

Click the first link

The screenshot shows the AWS Free Tier page. The header includes the AWS logo and navigation links for "Contact Us", "Support", "English", "My Account", and "Sign In to the Console". The main content area features the "AWS Free Tier" heading and a description: "Gain free, hands-on experience with the AWS platform, products, and services". Below this, there is a link "Learn more about AWS Free Tier" and a button "Create a Free Account". A red circle highlights the "Create a Free Account" button. Below the main content, there is a section titled "Types of offers" with a description: "Explore more than 100 products and start building on AWS using the Free Tier. Three different types of free offers are available depending on the product used. Click icon below to explore our offers."

## Sign up for AWS

Email address

You will use this email address to sign in to your new AWS account.

Password

Confirm password

AWS account name

Choose a name for your account. You can change this name in your account settings after you sign up.

[Continue \(step 1 of 5\)](#)

[Sign in to an existing AWS account](#)

And select your personal for your own projects, enter your name, phone number, country name, address, city name, state name, postal code and click the check box and continue.

### Free Tier offers

All AWS accounts can explore 3 different types of free offers, depending on the product used.

**Always free**  
Never expires

**12 months free**  
Start from initial sign-up date

**Trials**  
Start from service activation date

## Sign up for AWS

### Contact Information

How do you plan to use AWS?

- ☐ Business - for your work, school, or organization
- ☒ Personal - for your own projects

Who should we contact about this account?

Full Name

[Redacted]

Phone Number

Enter your country code and your phone number.

[Redacted]

Country or Region

India ▼

Address

[Redacted]

Apartment, suite, unit, building, floor, etc.

City

[Redacted]

State, Province, or Region

Andhra Pradesh

Postal Code

[Redacted]

Customers with an Indian contract address are served by Amazon Internet Services Private Ltd. (AISPL). AISPL is the local seller for AWS services in India.

☒ I have read and agree to the terms of the [AWS Customer Agreement](#).

**Continue (step 2 of 5)**

Next enter your card details. And click continue. I'm using visa card.

### Secure verification

 We will not charge for usage below AWS Free Tier limits. We temporarily hold INR 2 as a pending transaction for 3-5 days to verify your identity.

## Sign up for AWS

### Billing Information

Credit or Debit card number

[Redacted card number]

AWS accepts all major credit and debit cards. To learn more about payment options, review our [FAQ](#)

Expiration date

[Redacted expiration date]

Cardholder's name

[Redacted cardholder's name]
